

HOMESTEAD COMMUNITY CONCERTS

2011-2012 Season

After 32 years in the old South Dade High School Auditorium, we are happy this 4th year to be in the new auditorium and all of the amenities we find there, including the padded seats and excellent acoustics. The backstage area is great for the artists with well-appointed dressing rooms.

Seats adjacent to wheelchair cutouts will be reserved for family members.

AN AMERICAN PORTRAIT FROM A NATION'S HEART

Sunday, February 5, 2012 • 2:30 p.m.

Celebrate two centuries of American milestones as our country's story is told through the songs that united and inspired its people. Listen to the joy of America awakening to a newfound independence; the laments

that expressed our pain; the battle cries that tore us apart; the inspirational songs that reconciled us. Visit our nation's diverse regions through the music that captures their essence. And finally regale in pure patriotism as America's most beloved anthems are performed with eloquence and majesty.

An American Portrait is a stirring, evocative homage to our homeland that comes alive through the legendary pianism of Mac Frampton and the powerful voices of Sam Hagan and Dawn Marie.
